

Grenfell Fire Response News

5 August 2017
Issue No: 34

Consultation on Inquiry Terms of Reference is now closed

The consultation on the Terms of Reference for the Grenfell Tower Inquiry closed yesterday, Friday 4 August.

The consultation opened on Wednesday 5 July so that people could submit views on what the Inquiry should cover. Following feedback from residents, the deadline was extended to ensure people had enough time to make submissions.

The Chair of the Inquiry, Sir Martin Moore-Bick, will analyse all responses received, including feedback given at public meetings, which will help draft the recommended Terms of Reference. This will be then sent to the Prime Minister to set the scope of the Inquiry.

Sir Martin said "I am determined to establish the causes of the tragedy, and ensure that the appropriate lessons are learnt. To do this, the Inquiry will need to examine all relevant circumstances leading up to and surrounding the fire at Grenfell Tower, in order to understand its causes and prevent such a tragedy ever happening again."

Public meeting at Notting Hill Methodist Church

The next community public meeting will take place on Wednesday 9 August, from 6pm to 7.30pm at Notting Hill Methodist Church, 240 Lancaster Road, Notting Hill, W11 4AH.

The session will aim to provide:

- an update from Response Team representatives
- a face-to-face question and answer session
- guidance on information and support available.

Meetings are open to the public, so please do come along or invite people from the Lancaster West estate who you think would like to attend.

If you have suggestions of any issues you would like to see addressed at the meeting, please contact communityengagement@grenfellresponse.org

The sessions will be an opportunity for you to ask questions and discuss any health concerns you may have.

- **Wednesday 9 August**,

Those who have been exposed to smoke from the fire may have experienced irritation to their air passages, skin and eyes, which can cause coughing and wheezing, breathlessness and chest pain. PHE is unable to give personal medical advice, so if people continue to experience these symptoms, they should seek medical advice from your GP or by call NHS **111**.

If people don't have a GP, they can register for one online at www.nhs.uk by entering their postcode, or call **020 8962 4600**. The line is open from 9am to 5pm, Monday to Friday.

People can also ring NHS **111** for health advice 24 hours a day, seven days a week.

If people have waste material or debris from the fire at their property, they can contact Kensington and Chelsea Council on **020 7361 3001** to make arrangements to collect it.

Air quality reports with data collected from around the site is published online every week. More advice from PHE can be found online at www.gov.uk/government/news

Housing update

Finding housing solutions that work for everyone directly affected by the Grenfell Tower fire remains our absolute priority and we are working hard to achieve this.

Offers of temporary accommodation are being made on a daily basis, but we know that families will have concerns around this process and the idea of accepting a temporary home. So far, 175 offers of accommodation have been made, 47 offers have been accepted and 13 households rehoused.

Government has given commitments to help reassure families that:

- their needs are paramount, all other considerations are secondary to these
- their rent will not increase and the same terms and conditions of their previous home at Grenfell Tower or Grenfell Walk will be maintained
- they will have lifetime security of tenure
- they will not be forced to stay in temporary accommodation on a long-term basis
- accepting an offer of temporary accommodation does not mean that they lose priority for a permanent home
- no one has to accept a particular property and not accepting a property does not mean that they will be made intentionally homeless
- temporary homes will be rent and utility bill free for 12 months
- for some cases, if they like their temporary home, there is the potential for it to become their permanent home (this will be discussed when the home is offered to them).

More information is available on the housing line on **020 7361 3008**.

Extra police officers appointed to support the local community

The Metropolitan Police have appointed additional neighbourhood police officers that have been permanently stationed in the Notting Dale Ward to provide extra help to the local community.

The team is led by Sergeant Jason May and includes PC Fetahi, PC Vincent, PC Swain, PC Joyce, PC Chasikowska, PC Wall and PC Curtis.

The officers have been stationed to assist the existing officers, PC John Turner and PC Fred Pintaldi, to visit households, provide support and offer assistance to those who still need help or are not aware of services available to them.

The officers will be working seven days a week to help the community and make sure that the needs of people are met, so people are encouraged to talk to and contact the officers at any time.

For more information, please call **07407 491 610** or **020 8721 3028**. People can also find out more online at www.met.police.uk
